## 1: PURPOSE OF THE TOUR

This program aims to EXPLORE the other side of South Korea by bringing students away from the largest metropolitan city of Seoul to Korea's other major cities – Busan and Ulsan.

### Respect

Students will learn to show empathy & respect to each other through interacting with peers, tour guides & other service suppliers.

### Commitment

Students will take part in social service activities to show their commitment & support for the local community.

# 1: PURPOSE OF THE TOUR

## Perseverance

Students will experience Korean professional coaching in football & taekwondo. They will observe how Korean players' perseverance & dedication to reach a top level in order to achieve success.

## Empathy

Students will learn about empathy by listening to & understanding the hardships that Korean working classes are undergoing in both the vehicle automation & oil refinery industries.

## Law - abiding

Students will also learn to become law-abiding citizens because there are specific rules that need to be observed when they visit the automobile factory & the oil refinery.

## Responsibility

Students need to be responsible & disciplined at all times! They need to learn to be responsible for their personal belongings & behave in both public & designated areas.
